Invitation

The Ministry of Lands, Mines and Energy is conducting national stakeholders' workshops on the **“Draft Mineral Policy of Liberia”** in continuation of its efforts towards creating massive awareness on the mining policy of Liberia. For the purpose of total involvement of relevant stakeholders, these workshops are to take place in three capital cities within three regions across Liberia. The first two workshops were conducted in Gbarnga, Bong County and Tubmanburg, Bomi County with participants hailing from the central and western counties respectively. The last of these workshops will take place in Zwedru, Grand Gedeh County with stakeholders hailing from the eastern region including: Maryland, River Gee, Grand Kru, Sinoe and Grand Gedeh Counties. The Zwedru workshop will be held on Thursday, February 26, 2008 at the administrative building from 9:00 am – 4:00 pm.

In view of this, the Ministry invites you to participate in this one day workshop at the above mentioned location. This is to afford stakeholders an opportunity to ask questions and seek clarifications on the mining policy issues of Liberia. Several presenters will speak on different topics and the key note address will be delivered by Dr. Eugene Shannon, Minister of Lands, Mines and Energy.

We are honored to have your presence at this workshop as your suggestions and comments are valuable to the growth and development of Liberia.

Signed: _____
Eugene H. Shannon (PhD)
