OPEN LETTER TO POTENTIAL INVESTORS IN THE MINERAL INDUSTRY OF LIBERIA

December 07, 2009

Dear Potential Investors:

We have observed with dismay individuals who continue to dupe potential investors using faked documents allegedly from the Ministry of Lands, Mines & Energy, Republic of Liberia. Some of the faked documents include licenses with falsified signatures and old licenses which dates are changed to make them authentic, etc.

In view of this and to protect potential investors from unscrupulous individuals as well as to protect the image of the Ministry of Lands, Mines and Energy and the Country, all would-be-investors are asked to seek verification on any/all documents relating to the Ministry of Lands, Mines and Energy that they may receive in the name of the investment partners from Liberia.

We advise all Potential investors not to remit any money to any so-called Business Partners in Liberia for investment in Mineral and Scrap Industries without verification from the Ministry of Lands, Mines & Energy.
